Product-Information

Fresh Up 2 in 1

1. Product Description

Loosens soiling and stains when used in conjunction with dry cleaning or spray extraction operations. Binds and neutralises bad odours in carpeting and upholstery materials.

2. Areas of Application

Carpets and upholstery.

3. Method of Application

To eliminate bad odours: Spray Fresh Up 2 in 1 sparingly at a distance of approx. 40 cm and let dry.

As part of an intensive cleaning process of carpets: After vacuum cleaning the floor thoroughly, spray Fresh Up 2 in 1 evenly at a distance of 70-100 cm onto stains and / or heavily soiled areas (e.g. traffic areas), but do not soak material. Allow the product to work for a short time before cleaning the floor thoroughly using either the spray extraction method or the Tebo dry cleaning system.

Note: Before use, test the flooring on an inconspicuous area for colour fastness and material suitability.

Consumption: 500 ml = 20 m². depending on degree of soiling

4. Technical Data

pH level: ca.10,0% dconcentratet)

Data on ingredients (EC recommendation): less than 5% anionic tensides, phosphates. Contains BENZISOTHIAZOLINONE, METHYLISOTHIAZOLINONE, perfumes, solvents, salts, care components.

Fresh Up 2 in 1 should be stored in a cool, dry place in its closed original container. Protect from frost. Keep locked up and out of the reach of children.

5. Unit Sizes

500 ml bottle with atomiser

Art.-No. 1230050016

Fresh Up 2 in 1

The above advice on procedure for use is based on the best of our knowledge and the latest information available on cleaning technology. For this reason, when using our quality products, no damage will be incurred to the materials to be cleaned if strict attention is paid to the instructions printed on the container and the procedure suggested by us is followed. The use to which our products are put is, however, beyond our control. It is the responsibility of the user and does not release the user from making his own checks of the products supplied by us as to their suitability for the intended procedure and purposes. The information supplied by us is therefore non-binding and cannot be used as a basis for establishing the company's liability for any damage incurred. This also includes the infringement of any rights for the protection of third parties.
