Product-Information

Stone Care

1. Product Description

Routine cleaner for stone floors. Solvent-free, harmless to the skin.

2. Areas of Application

Natural and artificial stone floors (marble, granite, clinker, slate, terracotta, terrazzo) glazed and non glazed tiles.

3. Method of Application

Dilute Stone Care in a ratio of 1 : 400 (25 ml into 10 litres water) and clean the floor with this solution. Leave to dry remaining moisture.

Consumption: 1 l = 1000 m²

Note: Regular buffing will increase the wear resistance of the protective film. Over dosage or too much moisture may lead to less slip resistance of the surface

4. Technical Data

pH-level: 9,5 (concentrate)

Product code for cleaning and care products (Giscode): GU 50

Data on ingredients (EC recommendation): Less than 5% anionic surfactants, soap, non-ionic surfactants. Contains aromas, GERANIOL, LIMONENE, solvents, care components.

Stone Care should be stored in a cool, dry place in its closed original container. Keep locked up and out of the reach of children.

5. Quality Inspection

Certified in Germany by the Forschungs- und Prüfinstitut für Facility Management GmbH, Metzingen (FIGR)

6. Unit Sizes

6 x 750 ml

n.a.

Stone Care

The above advice on procedure for use is based on the best of our knowledge and the latest information available on cleaning technology. For this reason, when using our quality products, no damage will be incurred to the materials to be cleaned if strict attention is paid to the instructions printed on the container and the procedure suggested by us is followed. The use to which our products are put is, however, beyond our control. It is the responsibility of the user and does not release the user from making his own checks of the products supplied by us as to their suitability for the intended procedure and purposes. The information supplied by us is therefore non-binding and cannot be used as a basis for establishing the company's liability for any damage incurred. This also includes the infringement of any rights for the protection of third parties.
