

Spraymax

1. PRODUCT DESCRIPTION

Environmentally friendly cleaner for quick and easy intermediate cleaning in between. Ideal in combination with Spray Mop. Binds loose dust and fine dirt hygienically. Cleans without streaks and does not form layers. Overdosage and swelling effects caused by too much moisture are prevented, and damp mopping is possible without power-intensive wringing. The floor is dry and ready to walk on again within a very short time. For cleaning hard floors such as PVC, linoleum, wood floors, laminate, tiles, ...

Please take note of our specific floor care guides under www.dr-schutz.com.

2. APPLICATION

Pour the liquid from the bottle into the reservoir of the Dr. Schutz Spraymop. The lever on the Spraymop finely sprays the ready-to-use cleaner onto the floor, thus picking up dirt and dust by wiping with the Spraymop. Rinse the cover after cleaning or in case of heavy soiling.

3. CONSUMPTION

Routine cleaning: 1 litre per 50 m²

4. STORAGE

Store in a cool dry place. Protect from frost. Keep out of the reach of children.

5. TECHNICAL DATA

Ingredients: water / non-ionic surfactants / anionic surfactants / perfumes / preservation agents (2-BROMO-2-NITROPROPANE-1,3-DIOL, METHYLCHLOROISOTHIAZOLINONE / METHYLISOTHIAZOLINONE, BENZISOTHIAZOLINONE)

Contains reaction mass of: 5-chloro-2-methyl-4-isothiazolin-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May produce an allergic reaction.
