

Textile Fresh Color / Textile Fresh White

1. PRODUCT DESCRIPTION

Active Cleaner R280 For the gentle cleaning of coloured and white curtains, bathroom textiles, bed linen as well as bedding and pillows. Suitable for natural and synthetic fibres. Suitable for bedding, pillows and blankets filled with down and feathers.

- Full washing power already at 30-40 °C.
- Dust, grease and nicotine are effectively removed.
- Maintains handle and drape and provides a fresh scent.
- Textile Fresh COLOR protects the colour.
- Textile Fresh White provides bright white.

2. APPLICATION

Machine wash: For all degrees of water hardness, add 50 ml Textile Fresh to the washing drum per wash cycle and set a suitable wash programme (curtain wash, synthetic/fine wash at 30-40 °C).

Hand wash: For all degrees of water hardness, add 25 ml of Textile Fresh to 5 litres of warm water per wash cycle and wash through lightly. Wash heavily soiled or greyed laundry twice.

Please note:

- Follow any additional or deviating washing recommendations of the curtain or textile manufacturer.
- Hang curtains when damp. This keeps the shape and folds unchanged.

3. CONSUMPTION

50 ml per wash (750 ml Textile Fresh = 15 machine loads).

4. STORAGE

Store in a cool dry place. Keep out of the reach of children.

5. TECHNICAL DATA

The above advice for technical application is given to the best of our knowledge and according to the latest state of technology. Therefore, if our products are used carefully heeding the advice given on their application, as well as following our suggested procedures with the materials intended for use with these products, no damage shall occur. However, our products are used outside and beyond our possible control, and are therefore subject to your own responsibility, which does not release you from the obligation to check for yourself whether our supplied products are suitable for your intended purpose and procedure. Therefore our notes and advice are not legally binding and cannot be used against us as grounds for liability - which includes the rights and protection of any third party. The relevant recommendations, guidelines and standard norms are to be observed, as well as the recognized technical rules. On publication, this product information replaces and supersedes the validity of any previous versions.
